Length (Inches)	18", 24", 30", 36", 42" Custom lengths are available
Finish	Rough Sawn Texture
Coating	Grey Latex Primer

- QuattroCorbels are kiln-dried, finger-jointed and laminated, this minimizes the twisting and splitting that is inevitable with green timbers
- Primed to prevent warping and shrinkage
- 3 - year Guarantee
- Stamped ASTM Certified Exterior Glue
- Virtually eliminates callbacks
- Safe and easy to handle and install
- No waste or on site fabrication
- Cost effective when compared to either installed green timber or foam corbels
- Attractive rough sawn finish
- Formaldehyde free
